

OH, GRAVE DIGGER OF MADINAH!

Oh, grave digger of Madeena! I've paid you a pittance for your hard sweat and toil. Please dig me grave in Jannah-tul-Baqi, for I desire to be a part of this beautiful sand, close to the BELOVED NABI ﷺ.

Please Allah let my final abode be in Madeena Munnawarraah, so that I may be fortunate enough to have the intercession of your beloved Habeeb ﷺ.

Please Allah accede to this humble request, I beg of you, my Rabb!

Let me be fortunate to get the intercession of Nabi ﷺ too, on the day of regret.

Let me enter Jannah with my beloved Nabi ﷺ, although I know I'm not worthy of this request, by I hope and pray for your mercy and forgiveness.

Please my Allah, accept the prayer of this sinful slave, as I have no other door to knock on.

I hope my end will be in the city of light and my grave also filled with light.
