

# Time is Ticking Away

السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

While in Haramain, especially in the noble and blessed masaajid, please read the faith-book (glorious Qur'aan) instead of Facebook.

Learn about the sunnah and practice on it, instead of Twitter.

The World Cup will come and go but what guarantee do you have that you will be an honoured guest in the future.

Time is ticking away, use it effectively.

IRONIC WE READ SURAH  
AL-'ASR TO QUICKLY FINISH  
OUR PRAYERS, YET IT  
REMINDS US OF HOW WE ARE  
ACTUALLY RUNNING OUT OF  
TIME IN THIS DUNYAA

While making tawaaf, talk to Allah جل جلاله not the whole world; you will feel the blessings and peace entering your heart and soon the tears will flow from your eyes to wash you clean while circumambulating the glorious and honoured home 🕌.

Make tasbeeh, takbeer, tahleel, instead of Twitter; time well spent will give you an abundance of trees in Jannah ان شاء الله

Water your gardens with the tongue and tears in this life and reap the fruits in the afterlife.
